

Appendix to CV for Prof Simon Baron-Cohen

1st January 2012

Past Grants

2007-2011

- Target Autism Genome (TAG) (2004-2011) The genetics of Asperger Syndrome \$400K
- Baily-Thomas Foundation (2007-2011) Asperger Resource Centre (£226K)
- The Three Guineas Project Grant (2007-2011) Cambridge Lifespan Asperger Syndrome Service (£330K)
- The Lottery Commission (2006-2010) Early vs. late intervention in autism. (£486K).
- The Nancy Lurie Marks Foundation (NLM) (2004-2009) Autism and fetal testosterone (\$180K).
- The Nancy Lurie Marks Foundation (NLM) (2004-2009) Genetics of systemizing (\$180K)
- MRC Coop Grant (2004-2009) Typical and atypical development (PI: Mark Johnson) (£5K)
- Cure Autism Now (CAN) (2004-2006) ERP studies of visual perception in autism (\$40K)
- NAAR/Autism Speaks (2007-2009) FGF8, Androgens and autism (PI Rick Livesey) (£30K)
- Elizabeth Rausing Trust (2004-2007) The genetics of Asperger Syndrome (£25K)
- Trinity College (2006-2008) Genetics of synaesthesia. (£10K).
- MRC AIMS (Autism Imaging Multicentre Study) Collaborative Grant (PI: Prof Declan Murphy, Institute of Psychiatry, CoPI's: Profs Ed Bullmore and Simon Baron-Cohen, Cambridge) (2006-2009) (£1.3m).

2000-2006

- The Three Guineas Project Grant (2002-2006) Cambridge Lifespan Asperger Syndrome Service (£320K)
- MRC Program Grant (2000-2005) Autism: cognitive and fMRI investigations (£770K)
- National Alliance for Autism Research (NAAR) (2003-2005) Social Neuroscience and Autism (\$80K)
- Shirley Foundation Project Grant (2001-2004) Early identification of Asperger Syndrome (£320K)
- National Alliance for Autism Research (NAAR) (2002-2004) Training emotion recognition in autism (\$50K)
- Corob Foundation (2001-2002) Evaluating interactive interventions in autism (£18K)
- Isaac Newton Trust Project Grant (2000-2002) Diagnostic tests of Asperger's syndrome (£42K)
- Shirley Foundation Programme Grant (2000-2002) Teaching mindreading on DVD (£540K)

- Inge Wakehurst Trust (2000-2003) Asperger Syndrome in primary schools. (£5K).
- Cure Autism Now (CAN) (2002-2003) Early Intervention in Autism (\$39K)
- Trinity College, Cambridge (2002-2003) Pilot Study: Asperger Syndrome and the Androgen Receptor Gene (£5K)
- Wellcome Trust Studentship (2003) The Genetics of Asperger Syndrome (1K)
- The James S. McDonnell Foundation (1999-2003) Autism fMRI studies (\$137K)

1997-2000

- The Three Guineas Trust Project Grant (1999-2002) Clinic for Asperger syndrome (£126K)
- University of Arizona, Consciousness Studies Research Grants (1998-1999) Synaesthesia (\$20K)
- Trinity College, Cambridge (1997) Acquired autism in neurological patients. (£3K)
- Gatsby Foundation (1997-2000) The Autism Research Centre - start up costs (£150K)
- Isaac Newton Research Trust (1997-2000) Autism Research Centre - start up costs (£40K)
- National Health Service Research and Development Funding (1997-2000) ARC (£175K)
- Cambridge Regional Health Authority (1997-1998) Tourette Syndrome and Autism (£30K)

1994-1997

- MRC Project Grant (1996-1999) The early diagnosis of Asperger Syndrome (£140K)
- Gatsby Foundation Project Grant (1996-1998) fMRI studies of synaesthesia (£21K)
- MRC Project Grant (1996-1998) A controlled treatment trial at 18 months of age in autism. (£30K)
- Wellcome Trust Project Grant (1996-1998) fMRI studies of autism and theory of mind (£26K)
- McDonnell Pew Foundation (1995-1998) fMRI of synaesthesia (£40K)
- MRC Project Grant (1995-1996) The early diagnosis of autism: A follow up study (£132K)
- Tourette Syndrome Association (USA) 1994 Tourette Syndrome. (£6K)

1990-1993

- The Royal Society, Travel Grant 1993 (£1K)
- British Council/Anglo-Spanish Research Collaboration (1993) Perception in theory of mind (£5K)
- The Nuffield Foundation (1992) Language development in autism (£5K)
- The Royal Society, Study Visit (1992) (£1K)
- MRC Project Grant (1992-1995) Can autism be diagnosed at 18 months of age? (£104K)
- The Derek Ricks Memorial Fund (1991) Autism Workshop (£0.5K)

- The Mental Health Foundation (1991-1994) Training a theory of mind in autism. (£85K)
- Bethlem-Maudsley Special Health Authority (1990) Theory of mind in autism (£1K)
- British Council/Anglo-Spanish Collaboration (1990) Preverbal communication in autism. (£2K)
- The Royal Society, Travel Grant (1990) (£1K)

1987-1990

- MRC Project Grant (1989-90) A prospective study of autism. (£15K)
- Association of Child Psychology and Psychiatry (1986) Theory of mind deficit in autism (£1K)

Undergraduate Research Students

- Alison James, UCL (1987) Speech Acts in autism.
- Jennifer Benjamin, UCL (1989) Obsessions in autism.
- Jane Walker, Goldsmiths (1992) Face-processing in autism.
- Claire Bryant, Royal Holloway (1993) Reading mental states in face-processing.
- Rosie Jones and Michelle O'Riordan, Cambridge (1995) Recognizing faux pas.
- Rikin Patel, Sharma, and Aransalam, Cambridge (1995) Recognizing mental states in the eyes.
- Fiona Burt and Lucy Leighton-Smith, Cambridge (1995) Family Pedigrees in synaesthesia.
- Hannah Loader and Shibley Rahman, Cambridge (1996) Family Pedigrees in synaesthesia.
- Alison Pickett, Avram Gilbert, and Jon Rohrer (1996) Asperger Syndrome.
- Liz Short, Genevieve Mead, Vicki Scahill, and Alex Smith (1997) Family pedigrees in autism.
- Aaron Martinez and Linda Macrae (1997) Interpretation of eye-contact.
- Ian Kooyman and Liz Carter (1997) Embedded Figures Test and Social Cognition.
- Nic Alexander, Steve Cooter, Rachel Tredaway and Beck Hannon (1998) Folk physics
- Rosie Burton and Steve Lo (1998) Face perception in infants.
- Ruth Pavey (1998) Camouflage detection.
- Tom Baynton and Dan Michelson (1999) Face perception in infants.
- Emma Clubley, Joanne Martin and Richard Skinner (1999) Asperger syndrome
- Ian Plumb and Yogini Raste (1999) Reading the mind in the eyes.
- David Cottle, Lynette Mason, Alan Fayaz and Jack Menashy (2000) Empathy.
- Dheraj Bisarya and Nishanth Gurunathan (2002) Systemising.
- Amy Burtenshaw and Esther Hobson (2003) Mathematics and Autism
- Leo Weil, Debra Fine, Richard Smith and Joe Delaney (2004) Predicing AQ from EQ and SQ.
- Tom Sayer, Vijny Ahuja and Noga Moscovich (2004) The teenage SQ and EQ

- Anuradha Parekh and Claire Hoxley (2005) Mathematics and Systemizing
- Matthew Atkinson and Nelum Samarawickrema (2006) The child SQ and EQ
- Victoria Pile, Crystal Dickinson, and Anastasia Szeleznev (2007) Real and fake smiles.
- Kaleigh Kew, Rosie, Thomas Ling, Noor Janjua, (2008) Dual task performance in autism

Teaching

1987-1994

- Psychopathology (Child and Adult), on the BSc Degree in Speech Sciences, College of Speech Sciences, University College London (1987-88).
- Developmental Psychopathology, on the MSc Degree in Clinical Psychology, University College London (1987-88).
- Psychology Module, on the Degree in Medicine, St Mary's Hospital Medical School (1987-88).
- Developmental Psychopathology, on the MSc Degree in Clinical Psychology, Institute of Psychiatry (1988-94).
- Social Development, on the Royal College of Psychiatrists Diploma Course, Institute of Psychiatry (1992-94).
- Child Development and Psychopathology to the Child Psychiatry Department Registrar Training Course Institute of Psychiatry (1988-1994).
- ERASMUS teaching exchange on Developmental Communication Disorders: linking the Universities of Ghent, London, Leiden, and Tours. 1988 and 1994.
- Philosophy and Psychology, with Dr Martin Davies and Dr Margaret Harris, Departments of Philosophy and Psychology, Birkbeck College, University of London. 1987
- Trinity College Supervision (Natural Sciences and Medicine, Psychology courses, Part I). (6 hours per week). (1994-2008)

1994-Ongoing

- Atypical Psychology, Cambridge University Experimental Psychology Department, Part I and II. (24 lectures per year) (1994-Ongoing)

Membership of Professional Bodies

- Experimental Psychology Society (EPS)
- Fellow of the British Psychological Society (BPS)
- Fellow of the British Academy (BA)
- British Neuropsychological Society (BNS)
- Association of Child Psychology and Psychiatry (ACPP)
- Society for Research in Child Development (SRCD)
- BPS Developmental and Clinical Psychology Sections
- Society for Philosophy and Psychology (SPP)
- British Neuropsychiatry Association (BNA)
- International Society for Infant Study (ISIS)
- National Autistic Society (NAS)
- Tourette Syndrome Association (TSA)
- International Synaesthesia Association (ISA)

- International Society for Autism Research (INSAR) (Vice President, 2009-2011)

Editorial Boards of International Journals

- Neuropsychologia,
- Social Neuroscience,
- Development and Psychopathology,
- British Journal of Developmental Psychology,
- Journal of Cognitive Neuropsychiatry,
- Autism,
- Journal of Child Psychology and Psychiatry,
- Child Development,
- Disabilita Evolutiva (Developmental Disabilities),
- Evolutionary Psychology,
- Neuropsychologia,
- BMC Psychiatry
- Molecular Autism (Co-Editor in Chief)
- Autism Research
- Behavioural and Brain Sciences
- Autism Spectrum Quarterly Journal
- Frontiers in Evolutionary Neuroscience

University Committees

1986-1994

- Teaching Sub Committee (Psychology Dept, Institute of Psychiatry)
- Clinical Psychology Teaching Committee (University College London)
- Psychology for Medicine Teaching Committee (University of London)
- Examination Committee (Psychology, University College London)
- Admissions Committee (Psychology, University College London)
- Admissions Committee (Clinical Psychology, Institute of Psychiatry)
- Health and Safety Officer (Clinical Psychology, Institute of Psychiatry)
- Part-time PhD students Coordinator (Child Psychiatry, Institute of Psychiatry)
- Chair of Research Strategy Committee (Psychology, Institute of Psychiatry).
- Library Committee (Institute of Psychiatry, Child Psychiatry Representative).
- BPS Developmental Psychology Section Committee (1991).
- BPS Developmental Psychology Conference Committee, Cambridge University (1991).
- Coordinator for Academic Appraisal (Psychology, Institute of Psychiatry).
- PhD Admissions Committee (Psychology, and Child Psychiatry, Institute of Psychiatry).
- Chair of Departmental Meetings (Department of Child Psychiatry, Institute of Psychiatry, 1994)

1994-2004

- Research Psychology Ethics Committee, Cambridge University (chair of this, 1998-1999)
- Organizer of the Zangwill Club, Cambridge University (1995-1996)

- Accommodation Committee, Psychology Department, University of Cambridge (1995-2000)
- Admissions Interviewing, Trinity College, Cambridge
- Staff-student committee, Psychology Dept Cambridge (2004-2005)
- Accommodation Review for Psychiatry Dept, Cambridge, (2004)

2005-2012

- Library Committee, Department of Psychology, Cambridge (2008-ongoing)
- Graduate Tutor for Admissions (Psychiatry Department, Cambridge) (2010-ongoing)
- Faculty Board, SPS, Cambridge (representative from Psychology) (2005-ongoing)
- Management Committee (Psychiatry Department, 2010-ongoing)
- CLAHRC NIHR Lead Child Theme (2009-2013), Psychiatry Department Cambridge.
- Disability Resource Centre (DRC) Liason with Asperger Student Advisor (2008-ongoing).
- Pinsent-Darwin Fund, Cambridge University (1999-ongoing)
- Chair, Graduate Education Committee, Psychiatry Dept (2010-ongoing)
- Chair, Departmental Website Committee, Psychiatry Dept (2011-ongoing)
- Chair, INSAR (International Society for Autism Research) Website Committee (2010-ongoing)
- British Academy Small Grants Committee (Psychology Reviewer) 2011-ongoing

PhD Examiner

External

- Claire Hughes, Psychology, Cambridge, (1993) Executive functions and autism.
- Chris Jarrold, Psychology, Sheffield, (1994) Pretend play and autism.
- Lindsay Parkin, Psychology, Sussex (1994) Misrepresentation.
- Victoria Reed, Institute of Psychiatry (1997) A comparison of autism and schizophrenia.
- Cleonice Bosa, Institute of Psychiatry (1998) Autism and social development.
- Helen Gunter, Cardiff (1998) Right hemisphere function in Asperger syndrome.
- Paula Riccardelli, University of London Institute of Cognitive Neuroscience (2001) Social perception in autism
- Tamara Russell, Institute of Psychiatry, London (2001) Theory of mind in schizophrenia.
- Fulvia Castelli, London, Institute of Cognitive Neuroscience (2001) fMRI studies of autism.
- Naomi Fisher, London, Institute of Psychiatry (2002) Theory of Mind in Autism
- Lynne Binnie, University of Edinburgh, (2002) Intuitive Psychology and Intuitive Physics
- Eva Loth, Theory of mind in autism. University of St Andrews (2003)
- Emma Lawrence, Institute of Psychiatry (2004) Empathy: cognitive and neural correlates.
- Joel Winston (FIL, London, 2005) MRI and face perception
- Greg Wallace (IOP, London 2006) Cognition and savantism.

- p) Caroline Loat (IOP, London, 2007) X linked genetic conditions.
- q) Suparnha Choudhury (Institute of Child Health/UCL, 2007) Adolescence and theory of mind.
- r) Pedro Vital (Institute of Psychiatry, 2009) Genetics of autistic traits.
- s) Anna Remington (UCL, 2009) Selective attention in autism.
- t) Benedetto di Martino (ICN, 2008) Affective neuroscience.

Internal

- a) Rita Sobriera Lopes, Psychology, UCL (1993) Moral developmen
- b) Alex Cutting, Psychology, Cambridge (1996) The appearance-reality distinction
- c) Rebecca Elliot, Psychology, Cambridge (1996) Schizophrenia and depression.
- d) Jo Idden, Cambridge (1998) Frontal and executive functioning in neurological disorders.
- e) Carol Stott, University of Cambridge (1999) Late talking children.
- f) Patrick Bolton, University of Cambridge (2000) Genetics of autism.
- g) Manesh Menon (Cambridge, 2004) Schizophrenia: neuropsychology.
- h) Albina Shayevich (Cambridge, 2005) Empathy, imitation and mirror systems.
- i) Panos (Cambridge, 2008). Dyspraxia and autism.

Undergraduate examining

- i. Internal marking for Psychology, Cambridge (1994-ongoing)
- ii. External examiner for Psychology, Oxford University (1996-7).
- iii. Senior Examiner for Psychology, NST1B (1998)
- iv. Senior Examiner for Psychology NST1B (2001)

M.Phil examining

- Internal examiner for:
- Silvia Biro, Psychology, Cambridge (1997) Executive function in autism
- Birgit Finstrad, Psychiatry, University of Cambridge (1997) Language delay and genetics
- Polly Vitorini, Social and Political Sciences, Cambridge (1998) Autism and attachment
- Laura Watkins, Psychology, University of Cambridge (1999) Anxiety and attention

Research Presentations

1985-1988

- BPS Developmental Psychology Conference, Belfast.
- BPS Developmental Psychology Conference, Exeter.
- Conference on Semantic-Pragmatic Disorders, Newcastle University.
- BPS Developmental Psychology Conference, Harlech.

1989

- Child Study Center, University of Yale
- Oxford University Department of Experimental Psychology
- Sussex University Department of Experimental Psychology
- Medical Research Council Cognitive Development Unit, London
- Medical Research Council Child Psychiatry Unit, London

- Oxford University Workshop on Children's Theories of Mind, St John's College Oxford
- York University Department of Experimental Psychology
- Open University, Department of Social Sciences
- BPS Developmental Psychology Conference, University of Surrey
- Society for Research in Child Development (SRCD) Conference, Kansas

1990

- Warwick University Department of Experimental Psychology
- Southampton University Department of Experimental Psychology
- St Andrew's University Department of Experimental Psychology
- Hatfield Polytechnic Department of Experimental Psychology
- Edinburgh Hospital for Sick Children
- Cambridge University Department of Experimental Psychology, Zangwill Club
- BPS Spearman Medal Address, London
- European Conference of Developmental Psychology, University of Stirling
- National Autism Conference, Denmark (Keynote Address)
- National Developmental Psychology Conference, University of Western Australia, Perth

1991

- Liverpool University Department of Psychology
- APA McCandless Award Address, San Francisco
- Polytechnic of East London, Psychology Department
- MRC Cyclotron Unit, Hammersmith Hospital, London
- MRC Child Psychiatry Unit, London
- International Autism Workshop, Seattle
- Society for Research in Child Development (SRCD) Conference, Seattle
- Sussex University, Experimental Psychology Society Conference
- Developmental Psychology Conference, Cambridge University
- European Society for Child Psychiatry Conference, London

1992

- University College Cardiff Department of Psychology
- Oxford University, Department of Experimental Psychology
- Oxford University, Department of Human Sciences
- Institute of Child Study, University of Toronto
- Child Study Center, University of Yale
- Great Ormond Street Hospital, University of London
- Institute of Education, University of London
- Charing Cross Hospital Neurosciences Centre, London
- Sussex University, Departments of Experimental and Social Psychology
- Autisme-Europe Conference, The Hague (Keynote Address)
- European Conference of Developmental Psychology, Seville
- Society for Philosophy and Psychology, Montreal
- Brain and Mind Symposium: Institute of Psychiatry, London
- Theory of Mind Conference, University of Swansea

- British Neuropsychology Society, London

1993

- Manchester University, Department of Psychology
- BPS May Davison Award Lecture, Annual Conference, Blackpool
- MRC Applied Psychology Unit, Cambridge
- Goldsmiths College, Department of Psychology, London
- Bristol University, Philosophy Department
- Kings College London/UCL, Philosophy Department
- Society for Research in Child Development (SRCD) Conference, New Orleans
- Conference on Evolution and the Human Sciences, LSE, London
- International Society for the Study of Behavioural Development (ISSBD), Recife, Brazil
- Berkshire Health Authority, Early Detection of Disorders, Annual Conference
- European Society for Philosophy and Psychology, Annual Conference, Sheffield (Keynote address)
- British Neuropsychiatry Association, Annual Conference, Cambridge (invited address)
- Welsh Branch of the BPS: Conference on Face Processing, Cardiff
- BPS Developmental Psychology Section Conference, Birmingham University
- Spanish Autism Society, 50th Anniversary of the discovery of autism, Salamanca, Spain (Keynote speaker)
- Association of Child Psychology and Psychiatry, Oxford Branch Meeting, John Radcliffe Hospital: Day Conference on Autism

1994

- University College Psychology Department
- Cambridge University, Developmental Psychology Seminars, Department of Experimental Psychology
- McDonnell Summer Institute for Neuroscience, Davis, University of California
- Charing Cross Hospital Medical School, Neurosciences Centre, London
- London School of Economics, Centre for Philosophy of Science (The Darwin Lecture)
- INSERM, Paris
- The 12th Elaine Machin Lecture, University of Hull, Psychology Department (Invited Guest Lecture)
- National Autistic Society Annual Conference, Leeds (Keynote address)
- Hang Seng Conference on Theory of Mind, University of Sheffield
- International Society for Infant Studies (ISIS), Paris
- International Society for the Study of Behavioural Development (ISSBD), Amsterdam
- BPS Developmental Psychology Section Conference, Portsmouth University

1995

- Sussex University Cognitive Science Department
- Oxford University Experimental Psychology Department

- Cambridge University Developmental Psychiatry Section
- Addenbrooke's Hospital, Cambridge
- Nottingham University Psychology Department
- Royal Holloway College, London, Psychology Department
- Keele University, Psychology Department
- Ipswich Institute of Family Psychiatry
- Manchester University, Psychiatry Department
- Cambridge University, Zangwill Club
- London School of Economics, Darwin Seminar
- Society for Research in Child Development (SRCD), Indianapolis
- European Society for Child and Adolescent Psychiatry (ESCAP), Utrecht
- European Developmental Psychology Conference (Krakow)
- BPS Developmental Psychology Conference, Aberdeen

1996

- Bristol University, Psychology Department
- Essex University, Psychology Department
- University of Westminster, Psychology Department
- Lyon, INSERM
- Cambridge Psychiatry Department
- Leeds Psychology Department
- MRC Unit, Madingley, Cambridge (Animal Behaviour)
- European Conference of Autism, Barcelona
- Lyon, French Neuropsychology Conference
- ISSBD, Quebec
- European Psychiatric Association, Cambridge
- BPS Developmental Psychology Conference, Oxford

1997

- Reading University, Psychology Department
- St Andrews University, Psychology Department
- MRC-APU, Cambridge
- Cambridge Paediatric Services
- Sacramento Paediatric Services
- Leeds ACPP Meeting
- Blackpool Child Health Services
- Antwerp University
- Guy's Hospital, London, Child Psychiatry Department
- Royal College of Psychiatry Conference
- SRDC, Washington
- European Development Psychology Conference, Rennes
- Behavioural Phenotypes Conference, Cambridge
- Neuroscience Conference, Cambridge
- Asperger Syndrome Conference, University of Essex (Keynote speaker)
- LSE Conference, The Maladapted Mind
- BPS Conference, Edinburgh
- BPS Conference, London

1998

- Exeter University, Psychology Department
- Reading University, Archaeology Department
- Dartmouth College (USA), Cognitive Neuroscience Meeting
- Addenbrooke's Hospital Child Development Centre
- British Association for the Advancement of Science (Lister Lecture), Cardiff
- EPS Conference, Cambridge
- Denmark Autism Conference (Keynote speaker)
- Toronto Autism Conference (Keynote speaker)
- UCL Theory of Mind Conference (Discussant)
- Spanish National Autism Conference (Keynote speaker), Madrid
- Cambridge Autism Conference, Child Development Centre
- Venice Autism Research Conference
- NAS Autism Conference, London
- UCL Theory of Mind Conference, London
- International Society for Human Ethology, Vancouver (Keynote speaker)

1999

- Sussex University, Psychology Department
- MRC-CBU
- Warwick University, Psychology Department
- Royal Society of Medicine
- Sussex University, Psychology Department
- Oxford University, Continuing Education Department
- Gothenborg University, Child Psychiatry Department, Sweden
- British Columbia Autism Conference, Canada (Keynote speaker)
- French Theory of Mind Conference, Brest (Keynote speaker)
- Danish Autism Conference (Keynote speaker)
- SRCD, Albuquerque, USA
- American Autism Conference, Washington DC (Keynote speaker)
- British Institute for Learning Disabilities (Keynote speaker)
- NAS and St George's Medical School Conference on Autism (Keynote speaker)
- Italian Psychological Association, Capri (Keynote speaker)
- Zoological Society, London (Invited speaker)

2000

- Cambridge Professional Development Centre (Guest speaker)
- Cure Autism Now, Rutgers, NJ (Keynote speaker)
- Behavioural Sciences Unit, Institute of Child Health, London
- Autism Research Centre, Cambridge
- National Autism Conference, Trento, Italy (Keynote speaker)
- Danish Early Identification of Autism Conference, Copenhagen (Keynote speaker)

2001

- American Neuropsychiatric Association Conference (Key note speaker), Florida
- LindaMood Bell Conference on Autism and Dyslexia (Keynote speaker), Los Angeles
- Autism Conference, New York Mount Sinai Hospital (Keynote Speaker)
- Institute of Psychiatry, Dept of Psychology Invited Seminar
- Institute of Cognitive Neuroscience, London, Invited Seminar
- Royal Society of Medicine, Key Note Speaker, Institute for Cultural Affairs
- Autism Conference, Amsterdam (Keynote speaker)
- Autism Conference, Madrid (Keynote speaker)
- Umbrella (Cambridge Branch of the National Autistic Society) Invited Address
- Toronto Geneva Centre, Invited Address

2002

- British Neuropsychiatric Association – Institute of Child Health, London
- Local Autistic Society – Wakefield, Yorkshire
- Hills Road Sixth Form College, Cambridge
- Workshop – Ecole Normale Supérieure, Paris
- Royal College of Psychiatrists, Garden House Hotel, Cambridge (Keynote Speaker)
- Regional Child Clinical Psychologists Meeting, Ida Darwin Hospital, Cambridge
- Kosovo – Child Advocacy International
- Autismo Italia – International Conference, Rome
- Johnson & Johnson Paediatric Round Table, Lake Como
- The Open University Psychological Society, University of Nottingham
- Autism Research Group, Michigan, USA
- National Information Centre for Autism, Denmark
- New England Association for Asperger Syndrome, Boston (Keynote speaker)

2003

- Faculty of Education, Mary Allen Building, Hills Road, Cambridge
- Lindamood-Bell Conference on Special Education, Los Angeles
- Centre de Ressources pour l'Autisme, Hopital de Bohars, Bohars, France
- Autisme-Europe International Congress – Lisbon (Keynote speaker)
- Trinity College/Medical Society, Cambridge
- Spanish Autism Association Alicante, (Keynote speaker)
- Princeton University, Face Processing Seminar
- Alumni Weekend, Cambridge University, (Keynote speaker)
- Autism Association, Denmark (Keynote speaker)
- PACE October Club
- AIRIPA Novara, Italy
- Autism-Europe, Lisbon
- Harperbury Hospital, Department of Clinical Psychology
- British Neuropsychiatry Association, London
- New York Genetics of Autism (Keynote speaker)

2004

- Hills Road 6th Form College Psychology Society
- Cambridge Science Festival Opening Lecture
- National Autism Conference, Utrecht
- Perse School Psychology A Level Course
- York College of Paediatrics (Keynote Speaker)
- BPS Annual Conference Student Section (Keynote Speaker)
- Royal Institution, London
- ICA Debate on Autism
- Long Road Special Education Teaching Course
- Newcastle Life Sciences Centre
- Cheltenham Festival of Science
- West Midlands Autistic Society
- AEP Stratford upon Avon
- Philadelphia Bancroft Centre Neuroscience and Autism Conference
- Princeton University Autism Meeting (Prize Lecture)
- Toronto Autism Conference (Keynote Lecture)
- AWISE Seminar, Cambridge

2005

- Darwin Lecture, Cambridge
- Darwin Lecture, LSE
- Brighton Science Festival, Sussex
- Annual Disability Lecture, St John's College, Cambridge
- Cambridge Medical Society
- Cambridge Science Society
- European Cognitive Science Society, Stresa, Italy
- Brazilian National Autism Association (Keynote Lecture)
- Mexico National Autism Association (Keynote Lecture)
- Boston Neuroscience Society Conference
- City of London School for Girls (London)
- British Psychological Society Developmental Psychology Conference (Edinburgh)
- Bristol University Neuroscience Society
- Boston Neuroscience Society
- Imperial College, London
- National Autistic Society (Keynote Lecture)

2006

- Cambridge Science Festival (Keynote Lecture)
- Homerton College, Cambridge (Keynote Lecture, Wellcome Trust)
- Imperial College London
- Sanger Centre, London
- City University, London
- Autism Cymru, Wales (Keynote Lecture)
- Gates Foundation, Cambridge (Keynote Lecture)
- Geneva Centre, Toronto (Keynote Lecture)

- Banbury Center, Cold Spring Harbor, Autism Genetics Meeting
- Royal Society of Medicine Paediatrics Meeting
- American Association of Paediatrics, Atlanta Georgia
- Vancouver Autism Society (Keynote Lecture)
- Montreal Autism Centre (Keynote Lecture)
- Alaska Autism Society (Keynote Lecture)
- Malta Mediterranean Autism Center (Keynote Lecture)
- Antwerp Autism Conference (Keynote Lecture)

2007

- Imperial College London (Keynote Lecture)
- Oxford University Biological Anthropology (Keynote Lecture)
- Lucy Cavendish College, Cambridge
- BETT Educational Conference
- Kent University Tizard Lecture
- HSBC Education Trust
- Royal Society Festschrift for Uta Frith
- Tokyo University (Keynote Lecture)
- Jean Piaget Society, Amsterdam (Keynote Lecture)
- Guys Hospital London
- BPS Presidents Award, York University (Keynote Lecture)
- Vancouver Autism Association (Keynote Lecture)
- Denmark Biobank.
- Cambridge University Medical Society
- Claire Hall College Cambridge, Science Society.

2008

- MIT Invited departmental lecture
- Royal Society Meeting on autism.
- House of Commons Select Committee on Science and Medicine
- Odense Conference on Autism (Keynote lecture)
- Cambridge Science Festival
- Los Angeles Help Group (invited lecture)
- Rotterdam Autism Conference (Keynote lecture)
- Nottingham University Psychology Departmental Seminar (invited)
- UCLA Invited lecture
- Queen Square British Neuropsychology Conference invited lecture.
- National Autistic Society Annual Conference (Keynote Lecture)
- Autism Neuroscience Conference, Royal Society
- Child Development Centre (Cambridge)
- Hills Road Sixth Form College (Cambridge)
- London A Level Psychology Conference (Invited speaker).
- Bangor University Psychology Department Seminar (invited)
- Trinity College Science Society (invited lecture)
- Orange County Autism Conference (invited lecture)
- Cambridge Neuroscience Conference (invited lecture)

2009

- MIND Institute, Sacramento (Distinguished Lecture Series)
- Paris Autism Conference (invited lecture)
- Biological Anthropology, Cambridge, Evolution and Emotion Seminar Series
- Trinity Alumni
- Cambridge Department of Medical Genetics (invited seminar)
- Cambridge Enterprise Seminar (invited)
- MRC Forward Look on Autism
- Kelvin Society (Cambridge)
- Royal Society Meeting on Talent in Autism
- Sicily (Erice) Meeting on Primates and Empathy

2010

- Science Museum Centennial Lecture Series (invited)
- Autism Europe (Catania, Sicily), keynote lecture
- Royal Institution, Friday Discourse (invited)
- Trinity College Alumni Week (invited)
- Norway Autism Conference, Oslo (keynote)
- Italian Embassy, RIBA Autism Conference (invited)
- Hay on Wye Festival
- Education and Neuroscience Conference, Birkbeck College (invited)
- Ethics and Autism Conference, UCL (invited)
- New Jersey Autism Association (keynote)
- New York University Grand Rounds
- Lees School Psychology Society
- Westminster School, London
- UCLA Transcultural Psychiatry Conference (keynote)

2011

- Cambridge Psychiatry Department
- Hormones, Brain and Behaviour Conference, Fondation Ibsen, Paris (invited)
- Cambridge Wordfest
- Limmud (Cambridge)
- Karolinska Institute, Stockholm Sweden
- Festival of Ideas (Cambridge): Darwin and Emotions
- Triple Helix (Cambridge)
- MENSA Annual Conference (Keynote lecture)
- International Eating Disorders Conference, Edinburgh
- Royal College of Psychiatry Annual Conference (Cambridge)
- 5 x 15 (Kensington Arts Festival)
- Edinburgh Science Festival
- Dartington Literary Festival
- Royal Society of the Arts (RSA) London
- University of Zurich, Psychiatry Department
- Sunday Times Festival
- Institute of Cognitive Neuroscience (ICN), London
- Cheltenham Science Festival

- Wolfson College Cambridge Science Society
- Cambridge Neuroscience Festival
- Bristol Science Festival
- Autism Charity, Blackpool
- London School of Economics (Keynote Lecture)
- South Bank, London
- Mental Health Research Network, Cambridge
- Social Brain Conference, Glasgow
- Dept of Sociology, Cambridge
- Kings College London Ethics and Autism
- Technion, Cambridge

Symposia Convened

- "The evolution and ontogeny of pointing in normal and abnormal development". BPS Developmental Psychology Conference, University of Surrey (1989). Co-organized with George Butterworth, Stirling University.
- "Autism and Theory of Mind". Society for Research in Child Development (SRCD) Conference, Kansas (1989). Co-organized with Helen Tager-Flusberg, University of Boston-Massachusetts.
- "Autism and Social Cognition". The European Developmental Psychology Conference, Stirling University (1990). Co-organized with Beate Sodian, Munich University.
